#### Outdoor Play

With the weather improving, the children will be accessing the garden on a daily basis. We apologise if they come home a little muddy! Throughout the winter months the children have gone for daily walks to the Outdoor Pitch, Park and Trim trail. This will continue alongside playing in the garden.

#### Allotment

We are hoping to make a start on our allotment which will be located next to our garden. If you know of anyone that could help such as make some raised beds, please let us know.

#### Common Illnesses

A Polite reminder if your child has been medicated with Calpol, Nurofen or any other equivalent brands, our policy is that the child cannot attend the setting. Medicating can mask any common illness, until the medication wears off. If your child becomes unwell throughout the session and has a raised temperature, sickness, or diarrhoea we will be asking parents to collect the child immediately.

Please check your emails with regards to Hand, Foot & Mouth.

#### School Allocation for children who transition in September

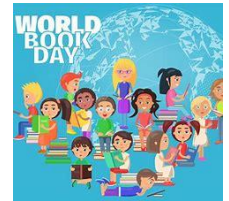

Please inform the staff once you know the school which your child will be transitioning into from September. We can then start making contact with them to arrange visits.
